Vigo County Sheriff's Department Standard Operating Guidelines	
Reference Number: PER-017	Effective Date: 12/01/13
Subject: Employment Practices - Work Week, Overtime, Court Time	Revised: 11/13/2013
Special Instructions: Replace all previous	Number of pages: 3
This directive is for internal use only, and does not enlarge an officer's civil or criminal liability in any way. It should be construed as the creation of a higher standard of safety or care in an evidentiary sense, with respect to third party claims. Violations of this directive, if proven, can only form the basis in a non-judicial administrative setting.	

PURPOSE

Establishes guidelines pertaining to work week overtime and court time.

POLICY

Department employees are required to present themselves for duty on each scheduled duty day as set forth in department SOG.

PROCEDURE

A. Work Week: Regular Duty

1. The Sheriff shall establish duty hours for all department employees.

B. Work Week: General Attendance

1. Officers will present themselves for duty on each scheduled duty day with the following exceptions:
 - a. When absence is due to illness, and it has been reported to his commanding officer at the earliest possible moment or before the start of duty hours.
 - b. When on vacation, taking approved accumulated time off or if an authorized leave of absence has been granted.

C. Work Week: Stand by Duty

1. All duly sworn officers of the department are on twenty-four (24) hours' call except when absent due to illness, on vacation, taking approved accumulated time off, or where an authorized leave of absence has been granted.

2. When contacted by a superior officer on regularly scheduled off duty days, they shall make themselves available for duty as requested, and as soon as possible.
3. Any duty time performed during regularly scheduled off duty periods shall be logged as accumulated authorized overtime.

D. Work Week: Authorized Overtime

1. Any officer performing overtime duty must have authorization from his or her direct supervisor when possible otherwise it must be approved by any department supervisor.
2. All earned overtime will be reported to the secretarial staff as part of the officer's monthly activity report. In almost every situation the approving commander of the monthly report should be the supervisor of the shift or division in which the overtime is actually earned.
3. The monthly report will briefly explain the need or reason for the earned overtime.
4. Overtime Authorization for is not required for grant funded projects. However, officers working grant projects cannot claim grant funded hours as regular work hours. An officer may take accrued leave time to work grant funded projects.
5. Overtime is to be reported in actual overtime earned or taken. Do not multiply by one and one-half. All record keeping of overtime by secretarial staff will be recorded in actual overtime hours. Overtime taken, as compensatory time will be adjusted by secretarial staff at the one and one-half rate.
6. The approval of the officer's immediate supervisor is required when extra days off are taken utilizing accumulated overtime.
7. A deputy sheriff may accumulate a maximum of forty (40) hours in approved overtime during the period of December 1st to November 30th. If at any time during this 12 month period a deputy exceeds forty (40) hours of authorized overtime he/she shall be compensated for all hours in excess of forty (40) hours on the next practical pay cycle following the report of the overtime to the secretarial staff.
8. During the 12 month period if a deputy has a change in position that either increases or decreases their pay rate all overtime hours that the deputy has accumulated will be paid out at the rate of which the overtime was earned.
9. At the end of each 12 month period (November 30) all overtime that remains on record for the deputy as of November 30th will be reported to

the auditor in the month of December and that officer will be compensated for ALL accumulated hours and thus a deputy will return to zero hours of accumulated overtime on December 1.

10. A deputy may utilize any or all of his/her accumulated overtime during this twelve month period as permitted by their immediate supervisor.

E. Court Time

1. Frequently, police officers are required to testify in judicial hearings or trials concerning criminal violations. Any officer of the department, who performs such duty during regularly scheduled off duty periods, shall be compensated for it in the form of accumulated overtime.

- F. This guideline is to be used in conjunction with all relevant department regulations, rules, policies, and procedures.

The 2018 Immunization Grant Budget was submitted to the VC Council asking for an appropriation for Group Insurance in the amount of \$18,798. At the time budgets were approved the person in the Insurance Billing Clerk position utilized insurance for single employee only. The amount approved was for the amount needed for just employee coverage (\$7,300). The person currently in the position needs employee/children insurance coverage. This grant is 100 % reimbursed by the Indiana State Department of Health.

Greetings,

I am requesting additional funding for the Juvenile Probation Travel line item. Federal regulations require probation officers to have monthly face to face contact with probationers that are placed, through their probation, in a residential facility. This requirement is due to the Department of Child Service monies that are used to pay for the placements. We place children in residential facilities throughout the state that offer whatever services needed to help rehabilitate the child. Our placements have continued to increase through the last two years and we have come to a point that we have surpassed the monies assigned to this line item. As of May 31, 2018, we have spent \$3941.60 of the \$4000.00 in our Travel line item. We believe we have approximately \$2000.00 that we will be able to transfer into that line item from other areas in our budget, but that will not be sufficient to finish the 2018 calendar year reimbursing the juvenile probation officers their mileage claims. I am asking the county to fund an additional \$6000.00 to our Travel budget for the 2018 calendar year. I will be requesting the county council to consider awarding the Juvenile Probation Department monies to purchase a department car in our 2019 budget. I believe this would be more economical as opposed to requested \$10,000.00 to fund our mileage line item.

Thank you for your consideration,

Deborah Kesler

Re: Appropriations

To: James Bramble, Cheryl Loudermilk, Kylissa Miller, Robert Effner, Esq., Vicki Weger, Jim Mann, Mike Morris

For my salary, I am to receive 40% of the salary paid to state court judges. The judges received a pay increase for FY 2018-2019. (See attached letter from the Chief Justice of the Indiana Supreme Court.) As a result, the Auditor's office has advised me to request an appropriation of \$1,283.03 to be added to the 2018 Budget, Salaries line item for the Title IV-D Commissioner. This will account for my 40% of the judges' pay raise which will cover my pay increase until the end of the year.

Secondly, I am also asking for a \$600.00 appropriation to the Title IV-D 2018 Budget, Travel line item so that I may attend the mandatory 2018 Judicial Conference in September to be held at the J. W. Marriott in Indianapolis. I am required to attend at least two conferences a year to attain at least 18 continuing legal education hours per year, as all judges, commissioners, magistrates and referees must do. I have already attended a child support conference this year, and as a result, we have only \$75.96 left in our travel account. The September conference will cost at least \$600.00. This \$600.00 will come out of our incentive fund and not county general, and will have no impact on the fiscal health of the county.

Thank you very much.

RE: Auction Funds

County Council & County Auditor:

On April 21, 2018, Hughes Auction held an Auction in behalf of the Highway Department selling scrap and vehicles not worth fixing. The funds from this were \$14188.25 and went into Highway General 1176.09900.000.0000. We request that these funds be put into Education, Training, and Safety 1176.37650.000.0530. All safety items for our employees come from this account, including Safety Vests, Safety Glasses, Gloves, Rain Gear, Safety Shirts, Safety Boots, Poison Ivy Prevention, Etc. As you know it is not uncommon for employees in these types of jobs to get hurt from traffic and we like to have as much as we can for the safety of our employees.

We appreciate your time in looking into this.

Reference: 2018 Additional Appropriations of funds Due to 3rd Round Distribution from State GAL/CASA

From: CASA Executive Director, Glenna Cheesman

July 19, 2018

I respectfully request:

On 7/10/2018 we were awarded an additional \$9,653 from the State GAL/CASA office in a 3rd round Capacity Building distribution. This amount was awarded to our program based on increase of case load, case filings and volunteer contributions to the program. This was not funds we were expecting, but definitely are in need of. These funds are to be used in areas we deem necessary over our original budgeted funds from the State for this year.

In 2017 we served 1033 children. Year to date, we are currently at 984 (includes open cases, wait list children and closed cases) children our program has or is currently served this year. We are only in July. We will pass the 2017 numbers by the end of August if not sooner. Current wait list: 143. Last month our wait list was 97. Each month the case filings have continued to spike.

We need to appropriate these funds to the following lines:

- \$5500 to travel and mileage-37200 (due to more children being separated and placed out of the county, because of lack of foster homes, our travel/mileage claims have increase drastically and need the additional funds to cover)
- \$1250 to office supplies-21000
- \$1250 to training-37650
- \$1500 to advertising & promotions-30350
- \$153 to special events-31001

The above appropriation amounts are crucial to the operational and organizational requirements of the Vigo County CASA program. I ask that you please approve the additional appropriation so that we can continue to promote awareness of program and the need to recruit the necessary volunteers for the program. Finally, so that we can advocate for the neglected and abused children of the Wabash Valley to our fullest potential.

Respectfully,

Glenna Cheesman
VIGO County CASA Director.

Mr. Bramble:

Please place this request before the Vigo County Council for attention at their meeting on August 14, 2018.

I am requesting that an amount of \$ 45,000.00 be appropriated from the County General Fund and be put into Account No. 37000 Autopsy.

I know this is an unusual request at just half way through the year, but as of July 2 we have just 6,000 remaining in autopsy.

I am also requesting that \$25,000 be put in Account No. 32850, Transportation. As of July 2, 2018 we have \$15,000 remaining.

Thank you for your assistance in this matter.

RE: Request for Additional Appropriation

Dear Mr. Bramble:

I was asked by the Commissioners to put together a request for an additional appropriation with regards to the development of a plan to finance and construct a convention center in Vigo County. The Commissioners are making this request on behalf of the Vigo County Capital Improvement Board of Managers ("CIB").

As you know, there is an existing appropriation in the EDIT Budget related to the development of a convention center with ISU in the Hulman Center. Additionally, you are aware of the fact that ISU modified their request to the Indiana Legislature with regards to the original plans of a joint facility with the City, County, and CVB (other represented members of the CIB) and the Hulman Center project is no longer under consideration.

With the adoption of the Vigo County food and beverage tax there will begin to be a revenue stream to support the planning process of the Capital Improvement Board, but there is an initial requirement of capital for the expenses related to architects, construction managers, owner's representatives, lawyers, and financial advisors. All of the initial expenses will primarily be related to professional services and the Commissioners are working with Umbaugh, the engaged financial advisors, on a budget for the Vigo County Council's consideration. The initial request is for the same amount that currently exists in the EDIT budget as "Hulman Center" which is Five Hundred Thousand Dollars

Dear Council Members,

As you know, renovations for increased security at the Juvenile Center has already been completed. The issue of renovations for security at the Community Corrections Building has been raised several times now and no decision has been made. The Council has requested that the Commissioners use their Casino Gambling Fund to carry out these renovations, but we have not heard whether the Commissioners are willing to do this. At some point, someone needs to make a decision on whether the County will provide the necessary funds for renovations to increase security at the Community Corrections Building.

We are respectfully requesting to be placed on the next available County Council meeting agenda for security updates for the Community Corrections Building. We are relying on the same two quotes from Garmong Construction and Hanning Construction that have been previously submitted. Funds are being requested to be placed in the Commissioner's Budget for building renovations in the amount of \$109,000.00. In the alternative, a request is being made that the Commissioners use one of their available funds to pay for these renovations.

Please feel free to contact us if you have any further questions.

Lakshmi Reddy,

To: Vigo County Council

I'm requesting additional funding to replace the roof on the Vigo County Annex Building. In the past several months we have had a total of seven roof leaks in the Annex. An inferred scan of the roof was done in April 2018 showing several areas of the roof that has moisture in the roof insulation which will also need to be replaced.

Guarantee Roofing of Terre Haute has been chosen by the commissioners to perform this roofing project. The new roof will be a Silicone rubber roof with a 20 year workmanship warranty, a limited lifetime warranty on material and two year labor warranty.

The cost to replace the Annex roof is \$212,671.25, and needs to be completed as soon as possible.

RE: Additional Appropriation

County Auditor/Council:

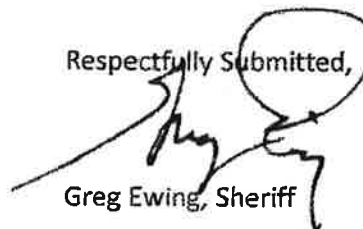

I respectfully request an additional appropriation of \$60,000.00 in Sheriff Budget line Gasoline. The current balance in this account is \$50,715.56 and we have seven months remaining this year and additional funding will be required.

Looking at the attached charts, you will notice that the average cost per gallon has increased sharply over the past six months and our average gallons used YTD only show a 102.63 average more than last year's average. This slight increase is directly related to the increase in the types of calls that require additional units, a slight increase in calls for service and additional transports by the jail. Additionally, our monthly cost has continued to rise which is directly related to the increase in the average price per gallon. (See attached graphs)

Although it is very difficult to predict what the price of gasoline will be in seven months it is equally difficult to predict what it will be tomorrow. I have averaged the past five invoices to arrive at a cost over the next seven months of \$14,943.83 per month. The requested additional \$60,000 would allow for a \$5,372 excess provided gasoline prices remain close to the same. Also included, is a graph showing the yearly budgeted amount from 2011 to 2018.

Thank you in advance for your continued support of public safety.

Respectfully Submitted,

Greg Ewing, Sheriff
